Dear Authors:

Aseel K.Al-Saffar, Ahamed M. Abbas, Dawood Salman

Synthesis of New Glycine Cephalexin Condensed Polymer as Peptide Biopolymer for Controlled Release of Cephalexin

Thank you for your submission of your paper to the Journal of Chemical Health Risks. I am pleased to inform you that the manuscript can be accepted for publication pending revisions. Copies of the referees' comments will be sent to you. Please include a letter indicating the changes which have been made. Your suitably revised manuscript will then be accepted for publication.

With Kind Regard
Dr. Hamid Hashemi -Moghaddam
Managing Editor
Journal of Chemical Health Risks
